to the commercial mortgage market throughout Kentucky.*

WHO IS BANKPOINT CAPITAL?

BankPoint Capital is a commercial mortgage company serving the borrowers, lenders and investors in the Kentucky commercial real estate market.

WHAT DO WE DO?

Our sole business is commercial real estate finance. We focus on securing and working transactions that consist of high quality property, creditworthy borrowers and a strong return on investment.

HOW DO WE WORK?

We maintain strong alliances with banks throughout Kentucky, but also work with insurance companies, private investors and Wall Street based securities groups.

We have all the tools necessary to expertly fund commercial mortgage loans, from experienced and sophisticated borrowers to those new to the process.

WHY BANKPOINT?

The principals of BankPoint Capital have over 20 years of real estate and commercial lending experience.

We have an outstanding reputation among our peers, competitors and clients and welcome an opportunity to work with you or your organization.
